Parents who loved me, a wife who would have me, a daughter who addresses me, friends who tolerate me, a life that suits me. Fortune smiled on me, so I smiled back. I am an angel of change.

Darrell Waltrip

Michael Andretti

Shawna Robinson

There's only one road legendary enough for this team to be named after. And it ain't Park Avenue.

Introducing the Route 66 Racing Team.

Route 66. It's not just a dusty stretch of highway, it's the inspiration behind the racing team that boasts five of the world's top drivers. Christian Fittipaldi, '99 Road America winner and former Formula 3000 champ. Michael Andretti CART champion and the winningest active driver in CART

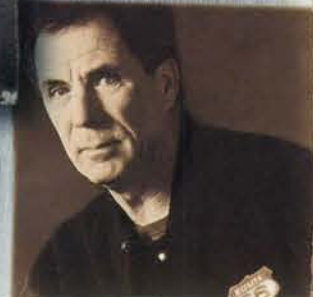

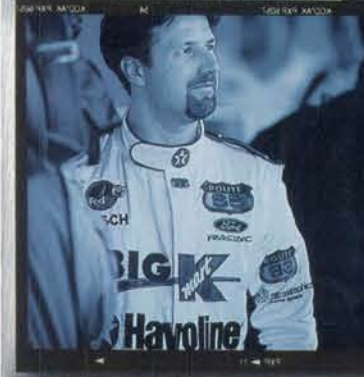

Shawna Robinson, the first and only female NASCAR race winner. Jimmy Spencer, with two NASCAR wins and 20 top five finishes. And living legend Darrell Waltrip, holding 84 wins and 3 Winston Cup Championships. So, while the road that inspires them may be mythical, the winning is real.

Jimmy Spencer

Christian Fittipaldi,

**Route 66. Legendary. Noble. Mythical.
Hmmm, sounds like a couple of drivers we know.**

Andretti and Fittipaldi. It's no coincidence that two of racing's most famous names race for a team named after America's most famous road. Talk about your perfect fit. Just like Route 66 now at Big Kmart. Jeans and clothes inspired by the spirit of the road that shares its name.

ROUTE 66 CLOTHING NOW IN STOCK.

Introducing Darrell Waltrip and the Route 66-Big Kmart Racing Team.

Take a legendary road, pair it with a legendary driver, and you've got the perfect fit. It's Darrell Waltrip, 3-time Winston Cup Champion and winner of the Daytona 500, and Big Kmart's Route 66 classic, casual clothes. Suddenly the open road has never looked better.

Kids
are all
natural.
So is our
ice cream.

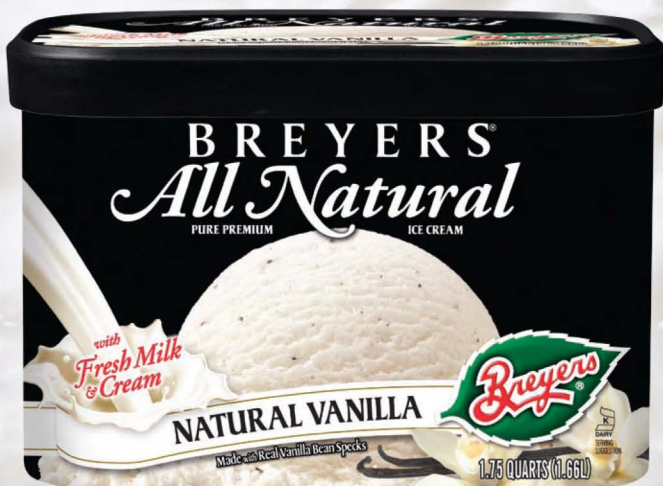

Why shouldn't ice cream be as real as kids themselves? The ice cream in Breyers® All Natural is made from fresh milk, pure sugar, real cream and other pure ingredients from natural sources. That's our pledge.

Ice cream
the way
Mother
Nature
would make it.

What could be more natural than ice cream made from the purest ingredients? The ice cream in Breyers® All Natural uses fresh milk, pure sugar, real peaches and other pure ingredients from natural sources. Mother Nature would approve.

So fresh,
you can almost
hear the
cow bells.

In 1908, Henry Breyer wrote a Pledge of Purity that said the ice cream in Breyers was made with “only pure ingredients from natural sources.” Times may change, but that pledge is still on every carton of Breyers® All Natural.
